Jairus Acosta

Web Developer

ABOUT ME

As a former collage freshman and a career shifter I developed some skills like problem-solving, critical thinking, and paying attention to details that help me be a good web developer. I really love coding and always want to learn more so I can solve problems in new and better ways.

PROJECTS

KodeGo Bootcamp

Mini Project 1 - GameHub (Responsive Website)

- A responsive multipage website about Games. Created using HTML, CSS, and JS.

Mini Project 2 - GameHub (Responsive Website with PayPal Payment API)

- A responsive and interactive website about Games. Created using HTML, CSS, JS, and API for PayPal Payment Method.

Capstone Project - GameHub (An Working Ecommerce Website)

- A functional e-commerce site dedicated to computer hardware and accessories. The entire website was created using PHP and MYSQL on the backend and HTML, CSS, and JS on the frontend.
