

JAIROS ACOSTA

8 13th Avenue Cubao Quezon City | +639085930287 | jairusacosta123@gmail.com

As a former college freshman and a career shifter I developed some skills like problem-solving, critical thinking, and paying attention to details that help me be a good web developer. I really love coding and always want to learn more so I can solve problems in new and better ways.
